

Assam

Enchanting

A wide-angle photograph capturing the vast expanse of tea plantations in Assam. The foreground is filled with lush, green tea bushes arranged in distinct rows. Several tall, slender trees stand as sentinels along the edges of the fields. In the middle ground, the terrain rises into rolling hills and mountains, their slopes covered in dense greenery. The sky above is a clear, vibrant blue, dotted with wispy, white clouds. The overall scene is one of natural beauty and tranquility.
